## Frequently Asked Questions

- **Q: What is the return policy for SpaceBuddy products?**
  - **A:** We offer a 30-day money-back guarantee on all our products. If you're not satisfied, you can return it within 30 days for a full refund. See our full return policy on our website.
- **Q: Are the SpaceBuddy projectors safe for children?**
  - **A:** Yes, our projectors are designed to be safe for children. However, adult supervision is recommended for young children. The lasers in the Galaxy Projector are Class 2, which are safe for occasional viewing.
- **Q: Can I adjust the settings on the SpaceBuddy projectors?**
  - **A:** Yes, all our projectors have adjustable settings, including brightness, color, and rotation speed. The Nebula and Galaxy Projectors come with remote controls for easy adjustments.
- **Q: Does the Nebula Projector have a sound feature?**
  - **A:** Yes, the Nebula Projector has a built-in Bluetooth speaker, so you can connect your phone or other device and play music.
- **Q: How do I subscribe to StarLogistics?**
  - **A:** You can subscribe to StarLogistics on our website by creating an account and selecting the monthly subscription option.
- **Q: What is included in the StarLogistics subscription?**

- A: The StarLogistics subscription includes curated space news, articles, and exclusive content delivered digitally each month.
- **Q: Is the AstroShip model pre-assembled?**
  - A: The AstroShip model requires minor assembly, but it comes with detailed instructions.
- **Q: What are the power requirements for the SpaceBuddy Projectors?**
  - A: All SpaceBuddy projectors come with a USB power cable and can be powered by a standard USB wall adapter (not included).
